

## **Privacy statement – Ansynth Service B.V.**

This privacy statement is applicable to all services and activities of Ansynth Service B.V.

### **What personal data is collected?**

Job applications:

- Name and address data.
- Email addresses.
- Curricula Vitae.
- Covering letters.
- Where applicable, telephone numbers.
- Notes.

Data on job applicants is not stored and is deleted no later than one month after the closure of the vacancy. The Curriculum Vitae is only stored, for a maximum of one year, with the permission of the job applicant.

Contact form:

- Full name
- Email address
- Where applicable, telephone numbers.
- Notes

### **Security of personal data**

Ansynth treats personal data in confidence and with the greatest possible care. Stored personal data is only accessible to employees Ansynth insofar as this is necessary for the performance of their duties. Ansynth secures its data against loss and/or any form of unlawful use or unlawful processing, making use of appropriate technical and organisational measures, taking into account the state of the art.

### **External service providers and other websites**

If you arrive on the website of a third party via a website of Ansynth, the conditions and privacy rules of the partner or third party in question are applicable. You are advised to consult the privacy statement of this partner or third party

### **Cookies**

Ansynth uses functional, analytical cookies. A cookie is a small text file that is stored in the browser of your computer, tablet or smartphone on the first visit to this website. Ansynth uses cookies with a purely technical functionality. These ensure that the website works properly. Unsubscribing from cookies is possible by changing the settings in your internet browser. All information that was stored earlier via the settings of your browser can also be deleted.

### **Retention of personal data**

Retention of personal data Ansynth will not retain the personal data for longer than is strictly necessary to achieve the aims for which the personal data was collected. If statutory obligations apply to the retention of data Ansynth will adhere to them. All personal data will be destroyed when it no longer has to be retained.

### **Amendment of this privacy notice**

Ansynth reserves the right to amend this privacy notice. Every amendment will be published on this page. It is advisable to consult this privacy notice regularly in order to stay informed of the content of the applicable privacy notice. This privacy notice was last amended on *29 July 2020*.
